1. [REDACTED] attended the Professional Selection Panel for me since I was unable to get away at the time. He is reporting in his diary on this meeting.

2. [REDACTED] has requested some material to use as background in preparation of a speech he is scheduled to make in the near future. I was unable to find all of the documents thought to exist on this but sent him a copy of Mr. Dulles' speech (Secret) and [REDACTED] speech (Top Secret). I suggested to [REDACTED] secretary that [REDACTED] would have a sizeable collection of unclassified materials and she undertook to get them direct for [REDACTED]

3. Some time ago I arranged for O/CD to take on the debriefing of returning DD/P officials. This is handled by the Liaison Division of O/CD and [REDACTED] of DD/P. I discussed this at some length today with [REDACTED] who tells me that regulations are now being written by [REDACTED] people regarding this procedure. I asked [REDACTED] to keep me informed of developments so that I in turn could assure that the proper DD/I people would be kept briefed. Later, I told [REDACTED] of this and I propose to see that he is kept informed of any new developments that [REDACTED] may bring to my attention.
